

Crawler Station by Carlpilot

For Orbiter version 060929

This is my second addon for Orbiter that consists of the fictional Crawler space station that I made up. I named it the Crawler because its modules crawl all around.

Functions

Numpad +/- Fire Main Engine

Numpad - -Fire retro engine

Numpad 1- Move Left

Numpad 2- Move Up

Numpad 3- Move Right

Numpad 4- Spin Left
